

## Application membership AMCF

The Animal Medical Care Foundation supports worldwide more than 45 animal shelters with medical and care products.

Membership for a shelter is free; however there is a procedure as well as a few regulations.

### Procedure

We would like to receive

- a) A description of the shelters, the work and the local situation (10-15 lines) in English
- b) 10-20 pictures of the shelter, situation, animals (photo please not bigger than 500/600 kbs per piece!)
- c) a contact person
- d) a shipping address of the shelter, we send our donations in principle direct so not through a intermediate.
- e) Website address
- f) Below list filled in (a cross before the wanted items); additions to the list are possible however no large items (please send us an email so we can send you the list by .xls)

When it is not possible to communicate with the shelter directly, or when it is not possible to send donations directly, we incidentally work with an intermediate, however below restrictions are then still valid.

### Restrictions

- 1) the AMCF receives after arrival of the donations at the shelter a couple of photos whether with some animals, at the shelter or with a person so we can proof to our sponsors that the goods have arrived
- 2) the AMCF receives a short 'thankyou' mail. Both the pictures as well as the thank you mail will be placed on our website.
- 3) Putting the AMCF logo with link to [www.animalmedicalcarefoundation.com](http://www.animalmedicalcarefoundation.com) on the website of the shelter
- 4) It is not allowed by the shelter to sell any of the donated items for money

The AMCF aims to send 3-4 times a year a donation with products. The shelter will be informed when and what is send.

The AMCF holds communication very high and therefore likes to be informed by the shelter of news matters concerning the shelter or the animal welfare situation, this can be done by f.i. newsletters, pictures or just an email. All the news will be placed on the AMCF website.

We look forward to a pleasant cooperation and hope together with you to help many animals in need.

On behalf of the AMCF Team

Betty Mercey Heideman
